We care about your Privacy. EPV Technologies is GDPR-compliant.

You may have heard about the new General Data Protection Regulation ("GDPR"), that comes into effect May 25, 2018. It was introduced to unify all EU countries to a unique data regulation, ensuring that all data protection laws are applied identically within the EU. It also protects EU citizens from organisations using their data irresponsibly and puts them in charge of "what", "where" and "how" information is shared.
